The **Chair** invited declarations of which there were **NONE**.

Christmas Lights and Switch on 2019

Disappointment was expressed with the service provided last year in erecting and dismantling the lights, they went up too early and were taken down late, leading to much criticism from members of the public.

Louise Brown apologised for the poor communication and admitted mistakes had been made and would be rectified this year.

Criticism was also directed at the size of the Christmas Trees in that they appeared too small, therefore Louise Brown was to provide a larger specimen sample in a holder for viewing prior to ordering for this year.

Extra lights were to be installed around the old Rose and Crown, in the church yard, Paramount, Town Hall, Pet Shop and toward the Doctors Surgery and Dentists.

It was also recommended, subject to cost and approval from the owner of the building, the erection of a Remembrance Poppy.

Date and time of the next meeting:

To be arranged.

Signed.....Mayor 20/05/19
