

IMPORTANT INFORMATION

Tour of Britain Stage 3 – Thursday, 5 September

Dear resident and business owner,

Barnsley is hosting the finish leg of stage three of British Cycling's Tour of Britain men's race on Thursday, 5 September 2024. This letter contains information about what we need to do to make sure that the event is safely delivered across the borough.

This event is expected to bring a lot of positive attention to Barnsley on a national and international stage. We know from the Tour De Yorkshire how exciting it is to watch elite cycling in your local area. We hope that you'll join us on the day.

To help deliver the race, there will be a large number of rolling road closures on the day, which will temporarily restrict vehicle access to some areas of **Penistone, Oxspring, and Thurgoland (in that order)** on Thursday, 5 September. There will also be some suspension of all on-street parking on certain roads.

The information in this letter will tell you about the things you need to consider to minimise any disruption to your day, such as:

Goods deliveries and collections

School and public transport and commuting

Appointments and consultations

Click and collect services

Parking arrangements

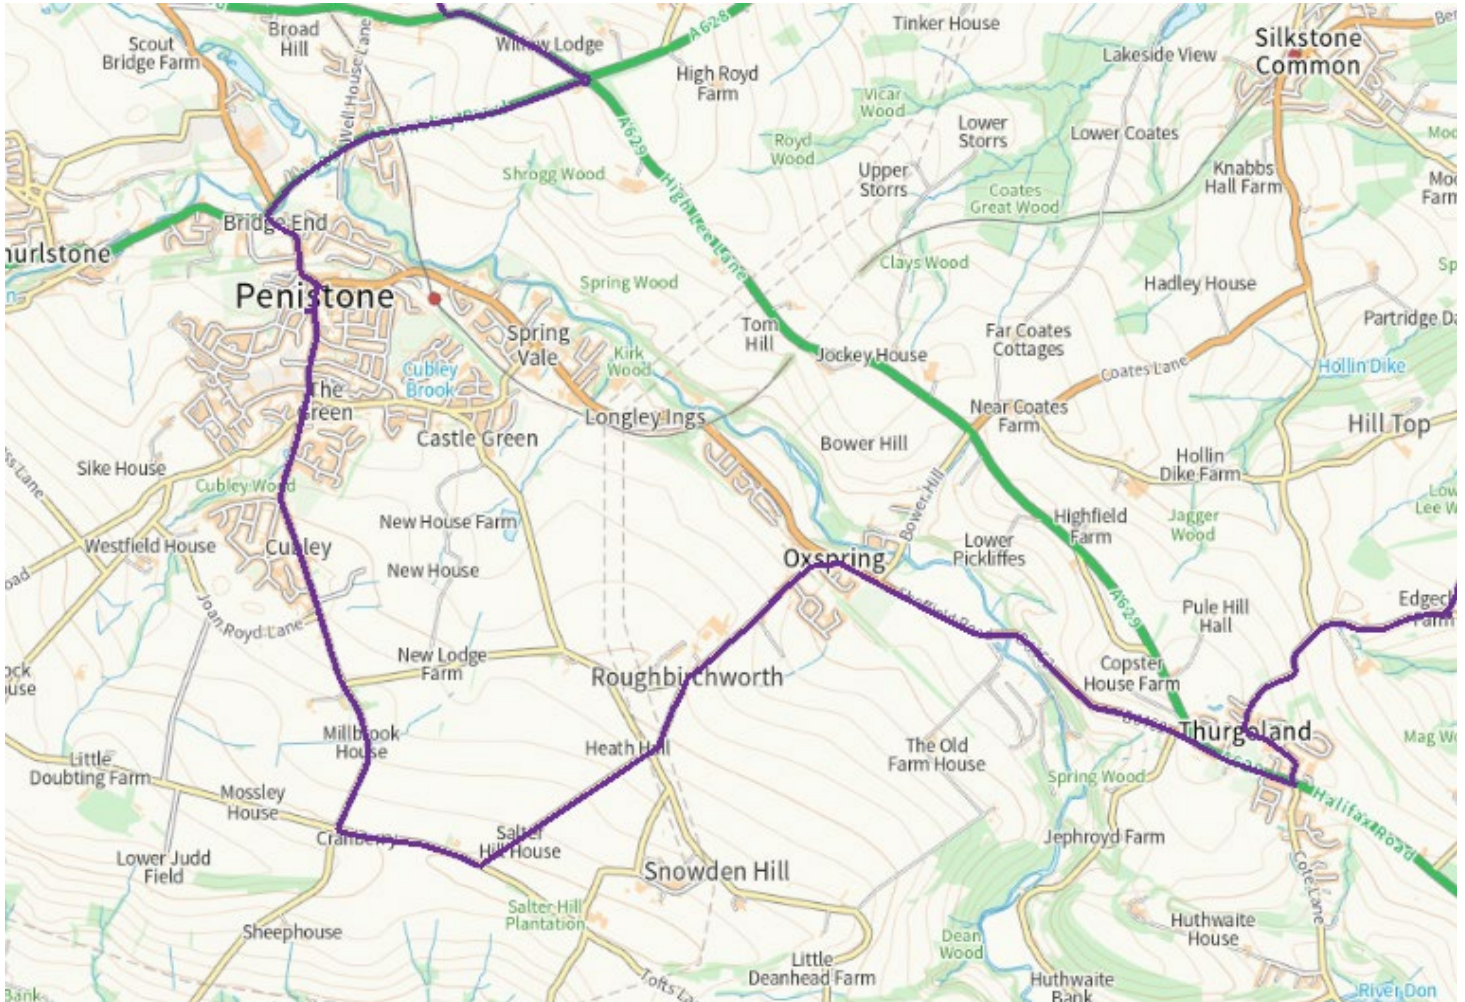

Livestock and equestrian holdings

If you need any more information or have any specific issues which require further discussion, please do not hesitate to contact us at TOB2024@barnsley.gov.uk or visit [visitbarnsley.co.uk/tour-of-britain-barnsley](https://www.visitbarnsley.co.uk/tour-of-britain-barnsley)

Men's Stage 3 race, Thursday 5 September rolling road closure in your area**

Highlighted on the map
below with a purple line

All on-street parking will be prohibited between 1:30pm and 3:30pm. All vehicles must be moved to an alternative location during this period. Tow away will be in operation during this period to enforce the clearway Temporary Traffic Regulation Order.

** Race times are subject to change. The times shown are indicative and allow time for setting up the closures and making sure that the area is ready for the race. We'll work with the race delivery teams to reopen roads as soon as it is possible.

More information

If you need any further information, please get in touch with us at TOB2024@barnsley.gov.uk

Elite cycling is always great to watch, and we encourage you and your community to get involved and support the race in your local area. You can find more information about watching the event on our website: visitbarnsley.co.uk/tour-of-britain-barnsley

Thank you for your consideration and cooperation

Barnsley Council
