Blitz (12A)

Blitz follows the epic journey of George, a 9-year-old boy in World War II London whose mother Rita sends him to safety in the English countryside. George, defiant and determined to return home to his mother and his grandfather Gerald in East London, embarks on an adventure, only to find himself in immense peril, while a distraught Rita searches for her missing son.

Girl From The North Country (15)

Girl From The North Country reimagines 20 legendary songs of Bob Dylan as they've never been heard before, including "Forever Young," "All Along The Watchtower," "Hurricane," and "Like A Rolling Stone." It's 1934 in Duluth, Minnesota. We meet a group of wayward travellers whose lives intersect in a guesthouse filled with music, life and hope.
