

PRESS RELEASE

PENISTONE ST JOHN'S CHURCH ROOF APPEAL: A HUGE 'THANK YOU' TO ALL WHO HAVE DONATED AS WORK COMMENCES!!

On behalf of St John's Church and the community of Penistone, I am delighted to announce that scaffolding has been erected near the church tower to begin work of the roof of the nave.

At this stage, I would like to thank members of our community and local businesses for their tremendous support so far. The overall project consists of re-roofing the nave and making water-tight the church tower in due course, so that we can continue to be 'a roof over our community' in both good times and bad, offering a quiet space as well as many community activities.

We look forward to the ongoing support of the community so that this ancient building can be preserved for generations to come.

With thanks and all good wishes for Christmas and the New Year.

Father David

Rector, St Johns Church, Penistone
